

# THE HELP YOU NEED, WHEN YOU NEED IT.

It would give me peace of mind to know someone was regularly looking in on mum.

I wish there was someone to look in on dad when I can't visit.

I can't manage any more without some support.

I don't feel safe living alone these days.

I wish I had someone to talk to.

The Mordens & Litlington Mobile Warden Scheme is a registered charity and has been supporting our local community for over 20 years. The charity is subsidised by local councils. A small charge is made to users of the service.

The Mobile Warden Scheme has helped many people in The Mordens, Litlington and Bassingbourn to live independently in their own homes.

Your community warden is DBS checked, fully insured and works confidentially and in compliance with current Covid-19 guidelines.

If you, or someone you know, could benefit from daily contact (Mon-Fri), or needs advice with health, social or welfare issues - we can help!
