

Parish Council Newsletter September 2023

Editorial

Our events calendar has never been so full, there seems to be something for everybody, from cream teas, to live music, a Shakespeare play, quiz nights, and a harvest lunch. As well as a 10 miler, starting this year in Bassingbourn.

A reminder that Litterpick is back, two dates in September, 9th and 23rd, covering Zones 1, 2 and 3.

Applications will open on Monday 11th September for another Net Zero Now course for residents of South Cambridgeshire. It is free, a 6 week course designed to provide you with knowledge and confidence to support your community on its journey to net zero.

Fortunately we were not scorched to a cinder but summer rain certainly made the weeds and grass grow. Our vegetable garden has been attacked by all and sundry, obviously the Hay Street deli! The pigeons seem to be partial to pea shoots, kale and spinach! Looking forward to an Indian Summer and re-growth of damaged crops.

**Anthony Browne's thoughts on 250,000
Houses for Cambridgeshire**

I met Michael Gove, secretary of state for levelling up, housing and communities, in his sweeping Whitehall office, to talk about his plans for a new quarter for Cambridge. The previous week I had denounced his plans as nonsense in the national media. It was known as a robust meeting. I went through all the South Cambridgeshire house building figures with him, pointing out that last year we already had the second highest housebuilding of any district in the country, and had built as many new homes as all of Birmingham, and more than the major metropolitan cities of Manchester, Liverpool and Newcastle. I am not opposed to new towns in principle, but we are already building out three – Northstowe, Cambourne and Waterbeach.

I showed him maps and pictures of at least four new quarters that Cambridge already has or is getting – Cambridge West, Cambridge East (at Marshalls), Eddington and the southern fringe around Trumpington. I showed him the housing projections for Greater Cambridge, pointing out that under existing Lib Dem plans, house building will double to over 2000 new houses a year as they push for their target of 57,000 houses by 2041.

He accepted that the lack of water for these homes is a binding constraint, and needs to be sorted. I welcome the Government's ambitions for Cambridge as a global tech superpower, but pointed out that would not be achieved by turning it into a giant suburban housing estate. I talked about all the other things that are needed – new laboratory space, better electricity infrastructure, and better transport (what about a train station for the Genome Campus?)

I said if the Government wanted to re-create Silicon Valley, then the Department of Science, Innovation and Technology should be in the driving seat, not the housing department.

Anthony Browne MP

NEWS FROM YOUR PARISH COUNCIL

The meeting is listed every month in the Village Garage Shop window, on the Notice Board at the Recreation Ground, and in near the station. A copy of the full minutes from the Council Meetings may be obtained by contacting the Parish Clerk, Sally Walmesley, Redwood Lodge, South Street, Litlington, Royston SG8 0QR. Telephone 01763 852137 or e-mail clerk@steeplemordenpc.org.uk Minutes can also be viewed on the Steeple Morden Village Website www.steeplemordenpc.org.uk and at the Village Garage Shop.

The Parish Council Meeting Planning Meeting was held on 20th June 2023 at 7.00 pm at the Cricket Pavilion

Planning Applications

1. Planning Ref 23/01496/HFUL 40 Hay Street -Installation of solar panels on the garden facing barn roof.

Recommendation Support.

2. Planning Ref 23/02034/FUL 2A North Brook End -Change of use of existing building to No 1 dwelling house together with external and internal alterations It was noted that this application had been refused on appeal previously. Councillors agreed that nothing had changed since the last application on which they recommended refusal. The application was outside of the village envelope and the only way it could be considered was if there was a change to the village boundary which would need to be part of the next Local Development Plan. Cllr Bird suggested the applicant be made aware of this and encouraged to make a request in the next LDC consultation. Recommendation -Object Encroachment into countryside and outside of the village envelope. The applicant could make a request in the next LDP consultation for the village envelope to be expanded.

Other Planning Issues - Planning Application Decisions

Cllr Bird had put together a list of planning applications considered by the Parish Council over the past year which recorded their recommendations and the decision of the Planning Authority on the application. He expressed concern that on four of the applications the comments made in support of the Parish Council recommendation had not been noted by the Planning Authority. The Clerk stated that she had issues in the past with the SCDC planning portal where comments made had disappeared, but would investigate to see what had happened on these occasions.

Councillors' items for information and requiring the urgent attention of the Clerk

1 Invitation to Magpies Presentation. The Clerk advised that Magpies Secretary had invited Councillors to their presentation in Litlington on the 24th June 2023. She would forward the invite.

2 Gigaclear Proposed Rollout A letter had been circulated advising of the broadband plans with an offer to discuss with Councillors at a meeting. This would be followed up at the Parish Council meeting on July 10th.

**Notes taken at the Parish Council Meeting held on
10th July 2023 at 7.00 pm at the Cricket Pavilion**

County Cllr Sebastian Kindersley reported on the account in The Times Newspaper regarding the building of 250,000 homes in South Cambridgeshire. Unfortunately nobody seemed to have any details of this, including our MP or the South Cambs Council. The Oxford/Cambridge East/West rail link has finally decided on the Northern route, further information will be forthcoming. The use of the Royston Recycling Dump has now been finalised by South Cambs.

Broadband Link to Church - this has been agreed.

Coronation Souvenirs for the children of the Village - 50 mugs were distributed.

Agreement of the position of Whitebeam trees on Cheyney Street - further information is required concerning the siting of the trees.

RpSPA Play Area Inspection Report 2023 - following the report, Cllr Nick Badger has listed and costed a number of items for maintenance and upkeep of the playarea. It was agreed by the Council that he should go ahead with the maintenance schedule.

Village Grasscutting - the verges are due another cut before the Autumn.

Car Park Resurfacing - it was agreed to use Section 106 funding.

Pavilion/Reading Room Decoration - to be arranged

Tennis Courts - Horse Chestnut Trees - it was agreed that two trees would be moved, and the third taken down. It was also agreed that a small patio area could be built near the Tennis Hut.

Planning/Tree work Applications

Planning Re 23/02266/HFUL

16 Hay Street - New window and filling in of existing door to side - RECOMMENDED

SCDC Recording of Planning Representation – a report has been sent.

Pavilion/Reading Room Replacement/Refurbishment – it was decided to refurbish the existing buildings.

Tween Towns Woodland Extension 2023 – a meeting is to be held on Monday 17th at 7.30.pm

East Anglian Bluegrass Festival 2024 – volunteers are required to run next year's event.

Gigaclear proposed rollout – Meeting on Thursday 13th, attended by Cllr Malcolm Bird.

The Next Parish Council Meeting will be held on 11th September at 7pm

Social Walking with Royston Health Walks

Royston Health Walks is an independent social walking group.

We have a number of different walks every Wednesday all of which start at The Heath Café, Baldock Road, Royston, SG8 5BG.

We have 2 walks at 10am, a leisurely walk over Therfield Heath covering about 1½ miles and a slow/flat walk. Both are opportunities to get a bit of exercise, have a chat and meet new people. The groups come together at the Café for a brew around 11am, please feel free to join us even if it's just for the brew.

Our Wednesday afternoon walk is a bit more challenging and a little longer (about 2 miles). From May to September the start time is 5pm but changes to 2pm for the rest of the year. We end up at the Café for a brew.

Anyone and everyone is welcome to join us regardless of age, level of fitness and in principle state of health, even if it's only for the refreshments.

*Welcoming,
friendly, social
and 'fun'*

*Positively
inclusive and
non-cliquey*

*"Ambling not

Mordens History Group

We are not planning to have an August meeting, which would have been due this coming Wednesday. Our next meeting will therefore be on Wednesday 6th September in the Village Hall, Steeple Morden.

Over the past months we have covered quite a lot of different aspects of life in the Mordens during the 19th Century. There are still some areas to look at, for example Church and Chapel and the new Parish Councils introduced towards the end of our period. Also we have only touched on shops and businesses and we have not covered sporting and leisure activities, e.g. cricket and football teams and matches.

At the next meeting, I would like to review our Victorian project and consider planning for an exhibition. We can also discuss how the group is working and what we could do to make it better. In addition we can cover another area - I will be looking at policing and crime!

I look forward to seeing you at the next meeting.

Mobile Warden Scheme

Supporting people to live independently

We have been a registered charity since 2006, covering the Parish Council areas of Guilden Morden, Steeple Morden and Litlington. We extended our Scheme to include Bassingbourn cum Kneesworth in 2016. Our committee of Trustees are appointed by these four Parish Councils.

We employ a part-time Warden to provide the service – making sure that people feel safe and secure in their own homes; keeping a watchful eye out for their health and welfare; liaising with local medical and social support services to ensure their needs are met.

Our Warden has experience of caring for frail or infirm elderly people and is selected for their ability to interact and build a trusting relationship with each member.

We ensure that the Warden has the necessary training to carry out his or her duties.
